# Welcome

Dear Parents,

I would like to welcome you to the Boys & Girls Clubs of Greater San Diego! For 80+ years, we have provided safe and quality afterschool and camp programs for children throughout San Diego County, and we are excited to have you as part of our Boys & Girls Clubs family. We want you and your children to feel at home while you are here and we do that by providing fun, enriching activities.

Your child will have the opportunity to participate in a variety of programs including homework assistance, arts & crafts, STEM, cooking, games, sports and much more. We also keep your evening at home in mind by providing a quiet space for your kids to complete homework for one hour each day. Our hope is that your experience at the Club is rewarding.

If you have any questions please feel free to meet directly with your Club's Manager. We know that you have many choices for the care of your children and we are honored you have chosen us.

Sincerely,

Danny Sherlock

# CHANGING LIVES.

# Transportation

Each school day the Boys & Girls Clubs provides transportation services for members from select schools to the Club. Each vehicle used in this program has received California Highway Patrol Certification and each driver has a youth bus or school bus license.

Parents may enroll their children in the on-going transportation program by completing the necessary paperwork at the branch. Enrollment and payment reserves a space on the bus/van. Because of the large number of passengers in this program, staff cannot wait beyond a reasonable time nor search for tardy children. All members should be at pickup location at the school within 10 minutes. We never leave any school until 10 minutes after the dismissal bell.

As a parent of a child in the transportation program, it is your responsibility to instruct your child:

- Where the pick-up point is located at the school;
- To go directly to the pick-up point each day after school;
- What to do if the bus is late or your child misses the bus.

Please be aware:

- Pets are not permitted on the bus;
- Once our driver has received the child and they are in our vehicle, the child cannot exit the bus until we arrive at the Club. For the safety of our members, drivers will release members to the care of Boys & Girls Clubs staff only, as drivers do not have authorized pick up information;
- Parents must call the branch if their child will not be riding the bus.
- If your child is not waiting at the pick-up point at his/her school and misses the bus, it is assumed that the child will not be attending that day and it is the parent's responsibility to provide alternate transportation.
- We will not provide late transportation for members enrolled in programs afterschool on school campuses, such as tutoring, sports or safety patrol.
- For transportation schedules on school minimum days, please speak with the Branch Manager of your Club.
- See the fee schedule for transportation fees and a list of schools included in the transportation program at your local Branch.

# Field Trip Policies

Occasionally, the Boys & Girls Clubs are able to enhance programming through field trips to local venues. Field trips can take place any time throughout the year. The following policies are in place to ensure the safety of your child while on a field trip.

- Your child must be a member and have a signed permission slip to attend field trips.
- All children must leave and return from field trips in Club vehicles or walking groups supervised by Club staff.
- Parents may not take their child to the field trip (if they miss the bus) or pick them up at the field trip. You must wait until your child's group returns to the Club.
- At some sites, there is no on-site supervision at the Club for children who are dropped off after their group has left on the trip. If you drop your child off at the Club after their group has left on the trip and the office is open, your child will sit in the office until a parent/guardian retrieves them. If the office is closed, no care will be available for your child. Please make sure you understand the rules of your branch.
- When children participate in field trips or outings, they must remain with staff at all times. Parents of children in grades 6 and above may give written permission for their children to travel in small groups without staff, provided they stay within given boundaries and meet back with the group at specific times.
- Any child in violation of these policies will be subject to suspension from further trips.
- For trips not included in child care or day camp programs: Cost of trips vary based on destination and entrance fees. Trips are non-refundable and non-transferable.
- For field trips during Summer Camp programs, your child will be required to wear a Club shirt. One shirt will be provided to your child with the option of purchasing additional shirts.

# Behavior Management Philosophy

Club programs are designed to help young people gain self-confidence, increase knowledge, develop mentally and physically, and gain perspective on their future opportunities. Through the teaching of honest values and concern for others, Club programs foster positive attitudes and behavior.

The Club is committed to providing the best possible experience for your child. In order to ensure participant safety and maintain a positive environment, rules of the Club will be posted and staff will use behavior management procedures with members who exhibit inappropriate behavior.

The most common behavior management technique used by our staff is redirection to another activity or behavior. Our staff are trained to redirect children away from situations in which the child is not engaged or is facing a challenge. Our goal is for each child to benefit from programming throughout the day, so if a child is having a bad day or is struggling we will offer alternatives for them.

In some cases, if redirection is not effective, the child may be asked to sit with a Membership Clerk or the Branch Manager in order to give them time to refocus. Our hope is that the child will be able to rejoin their group successfully. If the child is unable to return to their group, a parent will be called to speak with the child.

Occasionally, our staff will need to follow further procedures in order to keep all children safe and maintain a positive environment in the Club. These procedures will be followed by all staff and approved by the Branch Manager of the Club.

# Behavior Management Procedures

The following steps will be utilized with the child and may require parent support to assist in carrying out the established rules and policies of the Club. The severity or nature of the conduct at issue will determine the level of discipline and some of the following steps may be bypassed if the behavior is unsafe for the member or others.

## Step 1

Redirection to more appropriate choices

## Step 2

Sit with Membership Clerk or Branch Manager

## Step 3

Phone parent for further redirection

## Step 4

First written notice sent home to parents

If behavior continues on subsequent days, steps 1, 2 and 3 above will continue with the following further steps involving the parent

## Step 5

Second written notice given to parent and conference with parent scheduled

## Step 6

Temporary Suspension from programs between 2 and 5 days

## Step 7

Expulsion from the Club

***Members expelled from one site are automatically ineligible for membership at any of the Boys & Girls Clubs of Greater San Diego locations.***

# Expectations for Club Members

BGCGSD requires all members to meet the following expectations. Each Branch may have additional expectations specific to their site.

- Members are expected to enter and exit the Club through the main entrance only, unless directed otherwise.
- Lockers and/ or cubbies may be provided but are not locked and may be shared by other members. The Club is not responsible for lost or stolen items. Members are encouraged to leave personal or valuable items at home.
- While in attendance at the Club, members are expected to participate in the activities with their group.
- Members are expected to treat themselves and others with kindness and respect. No violent behavior will be accepted.
- Members are expected to maintain the cleanliness and organization of the spaces they are using.
- Members are expected to listen to the staff and follow directions given by staff.
- While in attendance, members are expected to stay within the areas of the Club allowed by staff and only when a staff is present to supervise them, except when using the restroom.
- Members are expected to obtain a pass to travel from their group to the restroom and back.
- Members are expected to walk from place to place within the Club. Running is only allowed in the gym and outdoors.
- Members are expected to dress appropriately at all times.
- Members are not allowed to smoke, gamble, use drugs, drink alcoholic beverages, have weapons of any kind in their possession or use obscene language in the Club at anytime.
- Members attending a Club on campus of a school or housing unit will observe all rules of that location as well as Club expectations.

## Parent Expectations

We acknowledge that our greatest ally in behavior management of children are the parents of the children. It is our desire to work side by side with you everyday. In our efforts to do so, we ask that all parents, guardians and family members please show respect to our staff, volunteers and other members. Any aggressive or disrespectful behavior will not be tolerated and will be subject to removal from the program.

# Safe Passage Policy

In the interest of your child's safety, BGCGSD has adopted policies we call our Safe Passage Policy.

- Members under the age of 12 must be retrieved by a parent, guardian or other authorized adult (e.g. family member, nanny).
- Members age 12 and older may leave the club unescorted with prior written permission from parent or guardian and a signed release of liability.
- Members 12 and older may also escort other members of their household from the Club with prior written permission and a signed release of liability.
- No member, regardless of age, will be allowed to return to the Club once they leave the premises for the day. The primary reason is to encourage members to stay at the Club for as long as possible, rather than leave the premises unsupervised where they may be exposed to dangers that are beyond the control of our staff.
- Only pre-authorized adults will be allowed to pick up children from the Club. All authorized adults must be listed on the membership application.
- Parents/guardians/authorized adults are required to enter and exit through the main door to drop off or pick up children. Staff will not respond to phone calls requesting a member to be dismissed unescorted.
- Parents/guardians/authorized adults should be prepared to show ID at all times.
- The Club will not physically restrain a member that insists on leaving the Club, nor block the facility's exits. Therefore, it is each parent's responsibility to discuss the Club's Safe Passage Policy with his or her child and ensure that he or she complies. The Club will not accept responsibility for members that leave the Club unsupervised and in breach of this policy.
- The Club reserves the right to suspend or discontinue services for violation of the above procedures by an adult or child.

# Commitment to Safety

BGCGSD is committed to the young people we serve. The most important thing we do is provide a safe environment for our Club members. If the Club is not safe, nothing else we do will matter. BGCGSD has policies in place to help ensure a safe environment. A complete list can be found on our website at [www.sdyouth.org/safety-policies](http://www.sdyouth.org/safety-policies). # Other Important Things To Know...

## BICYCLES

If your child arrives by bicycle, he/she should use the bicycle rack. Provide your child with a bicycle lock and instruct him or her to use it.

## LOITERING

To ensure the safety of our members, the Club does not allow members to congregate and loiter around Club facilities and adjacent properties. Parents are asked to instruct their children to participate in activities at the Club or go elsewhere, but not to loiter. Repeat offenders will be suspended or terminated from the program.

## DRESS CODE

Shoes and shirts must be worn in the Clubs at all times. Clothing should contain only appropriate images or slogans.

## ILL CHILDREN

Please do not bring your child/ren to the Club if he/she has missed a day at school, has a cold, cough or any other signs of illness. It is important to notify staff of any illness that may be communicable. Children who are ill will be refused admission. If a child becomes ill while at the Club, parents will be immediately notified to come and pick up their child. In order to protect all the children at the Club, we require the children to be free of lice and nits in order to attend Club activities. If you suspect that your child has lice, please bring it to the attention of the staff who may be able to advise you regarding lice control. Club staff may perform periodic screenings for lice on all members.

## CELL PHONES

Members will be allowed to use their cell phones for communication with parents or guardians only. Members will be responsible for keeping track of cell phones and the Club will not be held responsible for lost or stolen valuables. Members are required to receive permission from a staff member before using cell phones.

## CLUB PROPERTY

All members are expected to respect Club Property. Any damage to property will be the responsibility of the member and his/her family to repair or pay for repairs.

## CUBBIES / LOCKERS

Cubbies and/or lockers are available to store backpacks, outerwear, snacks etc. In many cases, there will not be enough available cubbies for each child to have their own and cubbies will be shared.

## LUNCHES

If your child is spending the entire day at the Club, pack him/her a sack lunch and snack, putting first and last name on the bag.

The Baker, Clairemont, Encanto, Conrad Prebys Escondido, Payne, Bronner, Oakes, and Ron Roberts Branches provide a free lunch and snack during the summer months. Check with the Club for times and menus.

### MEDICATION

If your child is to receive medication prescribed by a physician, please make sure to complete a Medication Administration Permission form. All medication must be in the original container with a Pharmacy prescription label showing child's name, doctor's name, medication being given, dosage and administering directions.

### PHONES

Club phones are for official Club business only. Only emergency calls will be relayed from parents to members.

### LOST OR STOLEN ITEMS

The Clubs are not responsible for any item that is lost or stolen. We encourage all members to leave valuable items at home. Staff can not hold items for members.

### SUPERVISION

All members are expected to remain in areas supervised by adult staff. The only exception is if a member has a pass to utilize the restroom. The member will be expected to go straight to the restroom and return as soon as they are finished.
